

VRIS UPDATE

**ATP/VR Partnership
Effective 12/30/2010
Number 294**

SUMMARY OF UPDATES

The ATP/VR Referral Form has been revised.

FORMS REVISED

A check box to indicate whether the individual being referred has a completed IPE has been added. The check box is located in the Reason for Referral comment box. If an IPE has **not** been completed VR staff should indicate whether the ATP Technology Specialist should obtain quotes for the necessary equipment or modifications prior to submitting their Assessment Report. If the referral to ATP is to gather information for assessment purposes and to develop the IPE the ATP Assessment Report will be submitted without quotes for the recommended solutions. This will significantly reduce the amount of time between referral and submittal of the Assessment Report.

VRIS POSTING

The revised [ATP/VR Referral Form](#) is located on VRIS – Forms and Marketing – Case Service Forms – Release/Consent/Referral Forms.

TEAM COMMUNICATION

Office Directors should discuss this VRIS Update at their next Team Meeting.
